Data Visualization Best Practices Workshop Teacher Report

Name: _____

Area(s) of Teaching: _____

Where You Teach: _____

Please describe your activity goal:

_____

_____

_____

_____

_____

_____

_____

What is the intended visualization?

_____

_____

_____

_____

_____

_____

_____

Please provide the activity wordings presented to the students:

_____

_____

_____

_____

_____

_____

_____

Please describe the nature of the activity (e.g. In class activity? Homework? Something else) and the rationale behind your choice.

_____

_____

_____

_____

_____

_____

_____

Were students engaged?:

_____

_____

_____

What is/are the dataset(s) that will be used for the activity? How students will access the dataset(s)?

_____

_____

_____

What tool(s) are students going to use? How will students have access to the tool(s)?

_____

_____

_____

_____

_____

_____

_____

How you are going to grade the activity? (e.g. Rubric)

_____

_____

_____

_____

_____

_____

_____

Do you think you will keep incorporating data visualization in the future?:

_____

_____

_____
